

## PROGRAMA CURSO DE PREPARACIÓN PARA EXÁMENES B2-FCE

Duración: 30 horas

### Introducción

El curso está enfocado hacia personas que quieren prepararse para realizar el examen de certificación CertAcles B2 o el FCE de Cambridge.

La metodología del curso consiste en el análisis de exámenes ya realizados, revisando los posibles problemas que las diferentes pruebas pueden presentar y la realización de tests similares a los que aparecen en las pruebas reales.

Los dos primeros tests contarán con una guía y pautas relevantes para que los candidatos adquieran práctica con la mecánica de los tests y se acostumbren a los ejercicios, los tiempos y demás cuestiones relacionadas con los exámenes, haciendo hincapié en las diferencias entre ambos tipos de examen.

Los tests 3-6 contienen exámenes idénticos a los que se realizan en las pruebas reales, para que los candidatos practiquen.
